

MATERIAL SAFETY DATA SHEET

DOUBLE SIDED BUTYL

Date revision: 18/05/2011
Version :BUT1/En Indice 02

1. IDENTIFICATION OF THE MIXTURE AND OF THE COMPANY

Brand Name T1305; T1309 ; T1310 ; T1415 ; T1520 ; T1521 ; T1525 ; T1540 ;
Resygum V ; Resy AC
P16 ; P20 ; P30 ; P40 ; P60 ; P70; P80 ; P340

Company : OLIN S. A.S
25, Avenue de l'industrie BP419
69960 Corbas. France

Téléphone : + (033) 04 72 23 18 00
Fax : + (033) 04 72 23 18 18

Email contact : pdelassalle@olin.fr

Utilisation : Sealing

2. HAZARDS IDENTIFICATION.

Mixture Classification according to the directive 1999/45 : No hazardous

Other hazards : No to our knowledge

3. COMPOSITION/INFORMATION ON INGREDIENT.

Substance presenting a danger according to the directive 67/548

None

4. FIRST AID MEASURES.

Inhalation :

Remove to fresh air.

Skin contact :

Wash skin with plenty of soap and water.

Eyes contact :

Wash eyes with plenty of water (10 min).

Recommended extinguishing media:

Water spray, carbon dioxide (CO2), powder.

Not Recommended extinguishing media:

Do not use water jet.

Particular method of intervention :

Keep away none concerned persons. Intact packaging could explode. Use water spray to cool fire exposed containers.

Special Hazard :

Incomplete combustion and thermal decomposition product toxic gazes like carbon monoxyd, carbon dioxyd, hydrocarburs, hydrogen cyanure...

Protection of intervenants

Wear self-contained breathing apparatus

Advice for firefighters :

Water of extinction must not be pour into sewer and subsoil. Anticipate sufficient means of closing and retention.
The residues of fire and the water of extinction must be eliminated according to the regulations in force.

MATERIAL SAFETY DATA SHEET

DOUBLE SIDED BUTYL

Date revision: 18/05/2011
Version :BUT1/En Indice 02

6. ACCIDENTAL RELEASE MEASURES

Personal precautions :

Avoid skin and eye contact. For more information, see § 8 : « exposure controls/personnal protection)

Precautions for the environmental protection

Avoid the contamination by waters of cleaning of sewers, waters of surfaces and some subterranean waters.

Method s and material for containment and cleaning up

Collect the product by scraping with a spatula or a similar instrument.

Elimination :

Deliver the soiled materials to a company specialized in waste collection.

7. HANDLING AND STORAGE

Manipulation :

Precaution for safe handling

For safe handling, assure a good ventilation of workplaces

Wash after handling. When using do not eat or drink– No smoking.

Storage :

Conditions for storage

Store in a maximum temperature of 30°C

Packaging materials:

Keep the product in its original packaging

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Control parameters:

Values limits of professional exposure of dangerous substances contained in the mixture : no

Measures of technical order:

None

Measures of hygiene

Do not smoke, not eat not drink during the use.

Equipment of individual protection:

Respiratory protection Not necessary

Hand protection Not necessary

Protection of eyes and face Not necessary.

Protection of the skin and the body other one than hands Not necessary.

9. PROPRIETES PHYSIQUES ET CHIMIQUES

Physical sate :	Paste
Colour :	Black/Grey/White/Wood/Teak/Tile
pH :	Not Concerned
Flash Point :	Not Concerned
Boiling point	Not Concerned
Autoignition temperature:	Not available
Vapor pressure :	Not available
Density :	1,4 à 2
VOC rate : (Volatil Organic Component)	0 g/L

Date revision: 18/05/2011
Version :BUT1/En Indice 02

10. STABILITY AND REACTIVITY

Stability

Stable under normal temperatures and pressures

Hazardous reactions

None.

Hazardous decomposition product :

None

Condition to avoid

Storage > 30°C.

Incompatible material :

Acids / bases and strong oxidizers.

11. TOXICOLOGICAL INFORMATION

Toxicity

Inhalation : No specific data on the mixture

Skin contact : No specific data on the mixture

Ingestion : No specific data on the mixture

Immediate effects

Inhalation : No immediate effect

Skin contact : No immediate effect

Eyes contact : No immediate effect

Potential chronic effects for the health

Heritable genetic damage: No Heritable genetic damage.

Carcinogenic effect: No Carcinogenic effect

Risk of impaired fertility: No risk of impaired fertility

Sensitisation No sensitisation effect.

Signs / symptoms of overexposure: None

12. ECOLOGICAL INFORMATION

Ecotoxicity : No specific data on the mixture

Bioaccumulative potential : No specific data on the mixture

Persistence and dégradability : No specific data on the mixture

Mobility in soil : No specific data on the mixture

Other adverse effects : The product does not contain heavy metals because of the process of production

13. DISPOSAL CONSIDERATION

Waste treatment method

Do not throw back to the sewer or in the natural environment
Deliver the waste to a company specialized in waste collection

Elimination of the soiled packagings

Deliver the soiled packaging to a company specialized in waste collection
